Deutsche Asset  
& Wealth Management

Deutsche Asset Management (India) Pvt. Ltd., is the mutual fund division of Deutsche Asset & Wealth Management in India. Established in 2002, Deutsche Asset Management (India) Pvt. Ltd., covers marketing, client servicing and fund management. The division combines deep intellectual capital, broad asset management expertise, decades of experience and extensive product selection with strategies across all major asset classes. The product suite encompasses the active, passive and alternative asset management expertise of Deutsche Bank.

Deutsche Asset Management (India) Pvt. Ltd. organized campus placement interview for the final year students of S.R. Luthra Institute of Management, Surat at Ahmadabad on 25<sup>th</sup> April, 2015, Saturday. The number of student appeared for the interview was 18. The interview was held at the office of Deutsche Asset Management (India) Pvt. Ltd. Mr. Pankil Thakkar (Sales Head, Gujarat, Deutsche Asset Management (India) Private Limited, Deutsche Asset & Wealth Management) gave a very brief introduction about the firm as a whole and also provided necessary information regarding their different products in the very first round of pre placement talk (PPT).

They showed all the hierarchy management of the company with which the company works and also how the candidates are expected to work and maintain the same level of working method.

The pre placement talk (PPT) is followed by the Personal interview. Mr. Thakkar and his team assessed candidates based on their knowledge regarding the mutual fund. Besides that as all the candidates were from finance background, they were asked about the summer internship project (SIP) or the comprehensive project (CP) that the students took for their internship program. Thus, the placement procedure of the Deutsche Asset Management (India) Pvt. Ltd. with the students of S. R. Luthra Institute of Management was successfully held and completed with selection of one candidate.
