RajGreen Group

Overview

RajGreen group is a joint venture of two pioneers - Rajhans and Green Group, dedicated towards construction for more than two decades. They have come together for a historical construction endeavour on the land of Surat. RajGreen Group aspires to provide an architectural marvel that takes care of all domains of the living needs for its residents.

It is one of the fastest growing business conglomerates with a strong presence in the construction sector. RajGreen Group has grown from real estate industry to a multi business conglomerate within a short span of time and has diversified in construction, entertainment and hospitality. Consistently, the group companies Rajhans and Green Group have emerged as market leaders

and have achieved a benchmark in construction with their quality and commitment over the years.

Vision & Mission

"Raj stands for the Royale & Green for our Absolute Commitment to be ecological and sustainable in our developments, this makes us unique and who we really are. We are dedicated to deliver value for money through transparent and ethical policies, as a part of our business for providing residential and commercial services to the rising economy of the world, India."
