Report on “Social Competence and Leadership Empowerment - SCALE”
organized by Placement Team during Year 2018/2020

Group discussion is not only a part of selection process; but also an essential way to share your thoughts to many surrounding you. Organizing thoughts, putting them in words and listening to the counterpart, are some of the essential components of a Group Discussion.

As a part of making the students socially competent and empowering their leadership, Placement Team, S. R. Luthra Institute of Management, Surat started SCALE – A Group Discussion Practice Session for Final Year Students. As it was new dimensions towards not only supporting the placement but also making the students socially competence, Team had decided to conduct Three (03) SCALEs during Semester III and IV students.

Total 03 SCALEs were conducted of which 2 were conducted during semester III and 1 was conducted in semester IV. Each SCALE was designed in such a way that each student participate during each SCALE. At the end of each SCALE, the placement team faculty members evaluate the participants critically and give them advice. Students enthusiastically consider the same and improve their participation accordingly.

The event was intended for: MBA (2nd year students)

No. of Faculties participated: NA

No. of participants: Every SCALE experiences presence of over 150 students (Both Shifts)

Other participation: NA

Outcomes: MBA students find themselves improving on verbal ability, communication and social and interpersonal skills after appearing for SCALE.
