With the view to help the students choose the right career path, Placement team of S. R. Luthra Institute of Management has organised two placement counselling sessions on 10th December, 2019 and 24th February, 2020. The major objectives of counselling session includes the followings

1. To make them understand view on company of their choices and possibility of visit of such company for campus placement
2. To make them realise the career path and skill sets required for the same
3. To make them introspect the reasons of failure/non-selection during earlier campus placements and help them to overcome the same

Both the counselling sessions were conducted by Placement team and detail discussion was carried out with the non-placed candidates. Placement team tried to explore the reasons for failure or non-appearance by students during earlier companies. Students were also explained about the industry and job scenario for them.
